Description

Copal unfolds its protective harmony, while yerba mate safeguards the aura. White sage radiates cleansing and pure energy, while lavender purifies and heals. Eucalyptus works to transmute, rosemary acts as a connector, and rue stands as a guardian. Together, these elements form an aromatic symphony that guides toward healing, protection, purification, and connection, enveloping the senses in a dance of well-being and security.

Composition: Herbs, resins, cedar, fruit biomass, charcoal, natural binder, and salt.
