### Description

-Handmade

-Made from 100% Pure Palo Santo chips, copal resin and plant base binder

-Each box contains 8 sticks that are 9" long

-Each stick burns for 1 hour.

In this incense stick we unite Palo Santo with Copal, a resin from trees of the Amazon and Mexico, which forms a purifying and healing ritual smoke. Also believed to be a magnet for the attraction of good fortune, material and spiritual, due to its connection with the divine.
