Description

Handmade Blend Masala Incense

Handmade

Content: 8 extra-long thick rods

Duration: each stick lasts 1 hour

Composition: Rose petals, essential oils, aromatic concentrated oil, fruit biomass, charcoal, natural binder and salt.

When the components of these Massala Incense are combined and their fragrances are linked together, they create a powerful harmony that is projected in the environment. These Maha incense sticks contain the energy of the sun, the moon and the stars. In their heart of masala they contain the subtlety of cane honey and the sweetness of flowers. These enchanting fragrances contain the most sacred powers.
